Teacher answer key

Expected answers for the Aleph printable sets: First 10 minutes, the cursive words workbook, the vowel signs (niqqud) workbook and the read-aloud sheets. The vocabulary flashcards carry their own answers on the card.

TEACHER COPY, DRAFT: answers derived from course data, not reviewed by a Hebrew teacher; transliteration machine-made; not tested with learners. Pronunciation shown is Modern Israeli unless a column says otherwise. Where a learner reads a word differently, check the community's custom before marking it wrong.

First 10 minutes: the three words

Word	Unpointed	Sound	Meaning
שָׁלוֹם	שלום	shah-LOHM	peace
שָׁם	שם	shahm	there
מָה	מה	mah	what

Check question “Which one says shalom?”: שָׁלוֹם (shah-LOHM). The other two are שָׁם there and מָה what.

The ladder pass rule is a target, not a measured result. A word read after the hint is not counted as read unpointed.
